

Ornament

The official thread used for the ornament is: 1085 "Christmas Time" cotton floss from Threadworx

The two symbols on the border are to help achieve the variation of the over/under design by stitching one symbol around and then the other. Alternatively, you may wish to use different colors and this will simplify the stitching. The official fabric is 36 count linen from Picture This Plus. picturethisplus.com threadworx.com

If you enjoyed these ornaments, I ask that you show support by purchasing from TSVShop on Etsy and/or add the shop to your favorites. Sales help keep the site online. You are also welcome to donate to TSV through PayPal by sending to <https://paypal.me/patriciahurwitz>
