This Bingo will be combined with a mystery stitch and contest. Each game will continue for 30 days. The chart for the mystery stitch will be divided into 25 squares. Below is a diagram showing how the chart will be divided to correspond with a bingo card (note that each square is 20 stitches x 20 stitches). The bingo numbers will be the same B1-B5, I6-I10, N11-N15, G16-G20, O21-O25, with a FREE space in the center, for each card/chart/game. On the first day of the game, the FREE space chart will be posted. For the following 24 days, a random section will be "called" and posted. After all 25 have been posted, the first person to post a photo of the completely stitched chart will be the grand prize winner. All participants will have 5 days to post a picture of any of the project stitched. These participants will be put into a drawing for additional prizes.
The game is being presented in The Community of The Stitchers' Village. It is the only password protected area of the site. To register and join the best needlework community, go to: https://stitchersvillage.com/village
